

CERTIFIED SOLAR THERMAL SYSTEM

SUPPLIER:
Alternate Energy Technologies
 1345 Energy Cove Court
 Green Cove Springs, FL 32043 USA
 www.aetsolar.com

MODEL: DPV-80-40
 THERMAL SYSTEM Pumped, Direct
 TYPE:
 CERTIFICATION #: S9243
 Original January 01, 2008
 Certification:
 Expiration Date: January 01, 2028

This system was evaluated by the Florida Solar Energy Center (FSEC) in accordance with the Florida Standards Program for Solar Domestic Water and Pool Heating Systems (FSEC Standard 104-10) and was found to meet the minimum standards established by FSEC.

The calculated Florida Energy Factors (FEF) for this system are:		
FEF North (FEF _N)	FEF Central (FEF _C)	FEF South (FEF _S)
3.20	3.50	3.50

Option	Collector Panel Manufacturer	Collector Panel Certification Number	Collector Panel Model Number	Quantity	Total Panel area	Total Panel area
1	Alternate Energy Technologies	00090N	AE-40	1	3.70 (m ²)	39.79 (ft ²)

Tank Manufacturer	Model	Capacity	Type	Equivalent Tank may be substituted
American	SE 62-80H-045S	303 liter	Solar	YES

Pump Manufacturer	Model Number	Power Draw	Type
Laing Thermotech	D5Solar/090B	22 W	Centrifugal

Controller Manufacturer	Model Number	Type
Yingli Solar	PV-10	PV
SunWise Technologies	OEM-10	PV

Freeze Protection 1: Freeze valve
Freeze Protection 2:
